RELEASE OF LIABILITY FOR PERSONAL INJURY AND PROPERTY DAMAGE

Our (son, daughter) desires to participate in the activities of the Perrysburg Youth Soccer Association, both as a spectator and active participant. We know that it will be necessary to travel for soccer games and practice; that volunteer coaches teach the skills and rules of soccer; and that the sponsors provide the playing field and possibly other equipment for the players.

Therefore, in consideration of any transportation to and from practice and game of soccer, with or without charge for transportation; the provision of field and equipment; and the participation in activities of the PYSA; we hereby assume all risk of injury to _____ (name of child) and we hereby release discharge and/or otherwise indemnify the USYS, the PYSA, their affiliated organizations and sponsors, their employees and associated personnel, its players, drivers of car pools, coaches, aides and owners of fields and facilities utilized for the programs, against any claim and liability for any injury or damage of any kind sustained by such child or by us directly or indirectly in connection with or arising from activities of the PYSA, its members, sponsors, drivers of car pools, coaches, or otherwise. We acknowledge it is the responsibility of the parent(s) to provide medical supervision if needed for practice or games. We have read this agreement and discussed it with our child. PYSA plays a six week season and does not endorse post season play.

I understand that soccer is potentially a dangerous sport and contains certain inherent risks, whereas participants may receive injuries by falling or colliding with other players, the ball, goal equipment, fencing, bleachers or other objects.

In consideration of the use of Buttonwood Recreation Area for playing soccer on the property of the Wood County Park District, I understand the Park District is not managing the area and is only providing mowing maintenance of the fields. I understand the soccer program is organized through the Perrysburg Youth Soccer Association and the Park District is not responsible for the management or organizing the soccer program.

The undersigned and those under his/her leadership hereby covenant and agree to save said Wood County Park District harmless from any and all claims of every type, character and description pertaining to or growing out of said premises, and they further agree that they will use the same in a lawful manner as to avoid injury or damage to the public property of said Park District.

Philosophy: The PYSA is organized to provide the youth of Perrysburg with the opportunity to play soccer. One major goal of the PYSA is for all participants, players, coaches and spectators to have FUN.

In the PYSA, playing is stressed more than winning. All players play at least half of the game.

Since our players start quite young, provisions are made in the size of the field and in the interpretation of the Rules of Soccer.

All participants, including parents, are urged to display good sportsmanship and remember that in Perrysburg, we play soccer *“for the fun of it.”*
